GROUP GROPE

First it was Dani, her next-door neighbor. Then the dudes got involved...

Tom and I have been married for eight years during which time we have had a normal sexual relationship. We have no children, and we try to spend as much time with each other as possible.

About four years ago, we moved to an apartment and we made some great friends here. A few months ago I woke up with a migraine or what felt like one. I called in sick and Tom was going to go to work.

It was about 8:30 one morning when our new neighbor, Dani stopped by to see if we had any coffee. Tom let her in and told her about my headache. We had met Dani on a few occasions and we had her over for drinks a couple of times. She was about 26 and she worked from home. She was not married and came from a very good family.

Tom left for work and Dani told me she would let me sleep for a while, and then she was coming over to give me a massage. She explained that she used to work for a doctor and later worked in a spa, so she had a very good background in how to make someone feel better.

I wasn't in any condition to argue so I told her to take a key and give me a few hours. Once alone, I fell back asleep. I didn't hear

Dani come in, but I could smell the fresh coffee brewing and I went to the kitchen to get a cup. She looked startled when I came in and told me to go back to bed, that she would bring me a cup. I started to argue but it hurt too much, so I found my way back to my dark room.

Dani came in with a tray and we drank our coffee. She had worked for a very exclusive spa, one which was very well known for its wealthy clients. It was there that she had learned to make people feel good and to ease them, through the use of massage, to relieve their tensions. I think I started to look forward to this massage and I was ready to feel better.

The time had come and I was instructed to remove my nightgown and put a towel on and then lie on my stomach. At first I was a little embarrassed, but what the hell, Dani had seen women before, and if I could get rid of this pain, I would be willing to try just about anything.

Dani started by kneading my back and working from the top of my back down to the center and then to the base of my spine. I felt chills and then my body started to relax as I got lost in the feelings, as the song goes. Dani worked over my butt and down my legs to my feet and then my toes. I didn't remember ever feeling this relaxed and I was beginning to drift in and out of sleep.

After a time Dani asked if I would roll over. So I rolled on my back as she started with my toes again and worked her way up. When she started to rub between my thighs I started to wake up a little, and I also was getting excited. Dani really knew her stuff. I was becoming totally relaxed and at the same time I was feeling heat build in my lower area. Dani worked her way over my abdomen under the towel which was parting with my body peeking through.

She commented that my body was in great shape and it was a pleasure to give me a rub-down. As she continued to talk, her hands started to knead my breasts and I was falling into this semiconscious, half-drunk, pleasurable frame of mind. I lost all track of time. I was really getting turned-on.

Dani must have known because my nipples were sticking out like knobs. I could feel myself blushing and when I opened my eyes,

I looked right at Dani. I could tell she knew the effect she was having because she told me to go with my feelings and relax.

Dani started paying a lot of attention to my breasts, cupping them and running her hands over them until she was squeezing the nipples. I kept my eyes closed and I started dreaming—or rather, it seemed as though it were a dream. She started to lick at my nipples and I felt myself getting wet and very excited. I thought about telling her to stop but I doubt if I could even if I had wanted, and to be honest, it was the furthest thing in my mind.

Dani didn't stop. She parted the towel and started to stroke my cunt. I was delirious with lust. I had never felt this way; it was quite different from the touches of a man. Her fingers seemed to be like butterflies touching me everywhere.

I had several little orgasms before she spread my legs and started to lick at my pussy. When Dani's strokes started to go deeper and pick up in stride I nearly passed out. My head started to feel better; in fact my whole body felt great. I started to panic later on when I thought of what I would tell Tom. I thought I would just flat-out tell him, since he was a very understanding guy.

As I suspected, Tom became very excited with what I was telling him. I could tell he was getting turned on by my confession, so I told him every single detail of the day's events—from the first orgasm.

Later that night Tom and I had some of the best sex ever. I asked him if he would mind if I continued to see Dani and he said no, as long as I told him every detail. Things went on this way for the next few weeks. Dani would come over or I would go over her house and we would play together. She would always start off

by giving me a rubdown and then we would go from there.

I started to go down on her after the first couple of times. She just made me feel great. I felt it was only natural that I return some of the pleasure. Dani explained each step of what gave her pleasure.

It didn't take me too long for me to catch on and soon we were in a 69 position for most of our lovemaking. Each time we made love I would come home and tell Tom all of my feelings. Sometimes he would go down on me and try and taste Dani. Or if Dani and I had made love and the taste of her juices was still on my face, Tom would lick that off and we would go into our own lovemaking.

One night Tom had to work late and Dani came over for dinner and some fun. We had a couple of drinks and then worked our way to my bedroom. Inside, she quickly undressed herself and then started working on me. I was wearing a light summer dress and my nipples were sticking out as Dani pressed her naked body against mine and started to rub my back. My zipper came down and my dress fell to the floor, and I stepped out of my panties.

We both fell on the bed still holding each other, our breasts rubbing each other and our pussies grinding into one another. Both of our fingers were roaming over the other's body. As soon as I touched Dani's cunt with my finger, she started to shake in her orgasm.

Neither of us heard Tom come in. We were both taken back when we looked up and saw him standing there with a bulge in the front of his pants and a big grin on his face. I felt funny; there I was in our bed with Dani, naked, and we were going at each other. Without thinking I asked Tom to join us; Dani said it would be fun.

Tom started to undress and Dani and I just went back to what we were doing. Neither of us was too eager. I guess we felt funny about Tom being there but this soon changed when Tom got into bed and started to kiss both of our cunts, going from one to the other and using his fingers when he went over to the other's cunt with his tongue.

We both came off in a matter of seconds. I mounted Tom's cock as Dani turned her body so that Tom could use his mouth on her cunt and she could watch as I rode up and down on Tom's dick. Dani next moved so that she was able to use her tongue on my clit as I rode Tom's bucking body.

Tom soon came off in deep long thrusts and we continued in our new position until he started to go limp.

Then I rolled off him as Dani continued to work her mouth on my clit until I came again, and she licked up every drop of our love mixture. I fell forward and took Dani's thighs between my hands and started to burrow my head into her cunt look-

ing for her opening.

Soon we were in our 69 position and Tom was just lying there, his hand rubbing up and down on his dick as I watched it start to get hard again.

After Dani and I had come once again, we reversed our positions and Dani mounted Tom while I turned so that he might taste me and work his fingers in my openings. I was sort of sitting backwards on his face and was facing Dani and we were kissing and playing with each other's breasts and nipples. I was playing with Dani's clit with my fingers as Tom was going in and out.

We all came off about the same time. We stayed in this position for a few moments longer to linger in the feeling and the thought of the experience we had just shared. We all fell asleep with Tom in the middle.

That was our first experience with three-way sex but far from our last. We try to get together at least a few times a week. Dani and I have become very close and not too long after our first time, Dani asked if I would like to meet Greg, her boyfriend. She had told me a lot about him and how he was away doing some mining work in Canada. I told her I would be very excited too, but that she should spend some time with him alone.

We did not see too much of them the first week. Then one night when Tom was out, a knock came on the door and Dani and Greg were standing there. Greg looked even better than Dani had described him. He was about six-foot-two with a well-trimmed beard and a great body. Dani introduced us and they came in for a drink.

We sat around talking about Greg's job and life in general. Dani said that she had told Greg about our little threesome and Greg asked if he could join in. I could not think

of any reason to object to Greg joining and it seemed that now was a hot time to let him in on a little initiation.

We went into the bedroom. Both Dani and I undressed quickly so that we might turn our attention to Greg. I started to breathe harder and my breasts began to rise and fall. I was standing next to Greg and rubbing up against his side while Dani did the same on the other side. We were both running our hands along his pants and over the dick that was straining to get out.

We unbuttoned his shirt and ran our hands over his chest which was large and firm. I moved my head so that I could take one of his little nips into my mouth and chew on it. Greg started to work his hands over our bodies; he soon had a finger in each of us and we were coming off. Dani took off his belt as I undid his pants and pulled them down carefully over his dick. I knelt in front of him as I lowered his boxer shorts.

His smooth hard cock sprang out and I quickly gobbled it up in my mouth. I ran my tongue over the head and then I eased my jaws over as much of it as I could take. My fingers were busy playing with his balls, squeezing them and rubbing the base of his cock, as Dani dropped to her knees and started to lick from the base of Greg's cock to his asshole. Her hands were busy playing with my body and running her fingers inside my pussy.

Greg was having a hard time just trying to remain standing. Dani's fingers were bringing me off and I increased my speed with my mouth, while Greg was holding my head and moaning. I felt his body become very wet with his sweat, and then with a loud moan he came. I kept my mouth over his dick until he was done shooting his load. Greg said

that he had to sit down.

Dani and I just fell into each other's arms. We started to kiss each other's bodies, giving Greg a sample of what he had been missing while he was away. It did not take him too long to get hard again and soon the three of us were on the bed going at it. Greg had mounted me and Dani was lying next to us. He was pumping into me with deep thrusts and Dani was kissing the both of us. He leaned to my left so that Dani could work on my right side, kissing and biting my nipples while at the same time she had stuck one of her fingers deep into Greg's buttocks.

I quickly came to another orgasm and had Greg roll off of me and onto Dani. Looking across the room I could see in the mirror, Greg putting his stiff meat into Dani. They were going at it and it was turning me on. I slipped my fingers over my body and started to play with my clit. I was trying to time my strokes with that of Greg's. I started to come first and Dani turned so that I could kiss her. Dani and Greg were soon to follow.

We all fell asleep for a while and then the three of us took a shower together. In the shower stall I faced Greg and after soaping him up, he became hard and I stood so that he might stick his dick inside me. Dani stood behind me and I was sandwiched between them, all of our soapy bodies moving together until we came off again.

Dani and Greg left and we did not see them until the following weekend. It was a Friday night when they came back. Tom was home and I had already given him every detail of my meeting with Greg. I prepared some drinks and we sat on the couch. Dani was sitting next to Tom and I was sitting with Greg. Greg told us about some porno videos that he had seen when he was

away so we set it up to stream them.

The first video was these two chicks doing a striptease and then going after each other. It was fun watching and seeing Tom getting off on them. Both he and Greg had the front of their pants sticking up like tents. Greg had put his arm around me and I felt as if I was a young girl again at the movies with some guy. I let Greg start to play with my breasts and I started to rub along his leg.

Looking over I saw that Tom had his hand inside of Dani's blouse and was squeezing her tits. The next video showed two girls again, but this time they were going at each other with a dildo. I was starting to become very turned on and I undid Greg's pants so that I might have access to his manhood. Greg had also reached over and after hiking up my dress, and moving my panties aside, we were both playing with each other.

I pulled my panties down and mounted Greg. I came off very quickly as Greg filled me with his cream. I fell forward on Greg and started to watch the vids again. Greg started to go limp and I sat next to him so that we could continue our fun with me rubbing his cock and trying to make him hard again.

Dani let out a yell as she reached her orgasm which was soon followed by Tom's. We all fucked a number of times. At one point the guys watched as Dani and I fell into each other and put on a show for them which helped to get them into an aroused state so that they might participate in the events.

Since that time we have shared many a night with Greg and Dani, and we feel we have enriched our lives. We don't feel that swapping is for everyone, but it works for us. Tom and I are very much in love and there is no petty jealousy involved.

I think I'm sexually quite adventurous. I'm comfortable doing just about anything with my guy, and for him. Passion grows every time we fuck, and we love to fuck a lot. Another great perk of this is that I get my toes done and then make money showing them in photos. What could be better? You tell me.

When I first saw myself fucking on camera, I was amazed at how well I came off. I thought I was pretty hot, but it took me a full year before I was comfortable to get in front of a camera and fuck a guy. After fucking girls, I learned how much more work guys are. But that's okay!

GABRIELLA

A NEW SCREW – WHO KNEW?

So they sent me to an all ladies lock-up just outside of Strasburg near the German border. Apparently, selling dildos and vibrators out of the trunk of my car is frowned upon by the French authorities. Fortunately it's only for six months.

I was torn between immense excitement and bitter anger. Brigitte, my longtime girlfriend, had finally come to visit me in prison. It had been a long time since her last one, too damned long. Hell, even her letters had stopped coming. I was pissed. Still, I could hardly suppress a big smile as she appeared on the other side of the glass partition.

That little French whore looked fantastic in a western style blouse, tight-fitting jeans and cowboy boots. Lustrous raven hair framed her beautiful face. Just looking at her made me wet . . .

"It's about time," I spoke into the phone, meeting her brown eyes with a hard stare.

"Yeah, well, Gabriella, I've been busy," Brigitte replied. She

looked bored, looked like she would have rather been somewhere else, anywhere other than the state prison for women.

"Too busy, huh?" I shook my head with dismay. "You really know how to make a gal feel special . . ."

She didn't say a word, her face an expressionless mask. Something was wrong. Brigitte seemed off. My typically vibrant girlfriend was unusually morose. Something was bothering her, something serious . . .

Fearing the worst, I wondered if she was sick. Had she been diagnosed with a serious illness?

"What's wrong, Brigitte?" I asked matter-of-factly. "Talk to me, sweetie. Tell me *moi petite*..."

And then she said it. The words

came tumbling out as if rehearsed in front of a mirror. Dreaded words nobody wants to hear from their romantic partner.

Brigette was leaving me. She had met somebody else.

"Who is she?" I asked after recovering from my initial shock.

"His name is Mike," she said with a straight face.

A man! I damned near fell out of my chair. Brigitte hated men. We both did.

I searched her face. "You're kidding, right? Please tell me you're kidding."

Unfortunately, she was dead serious. Brigitte had fallen head over heels in love with this Mike fellow. I sat there in stunned silence, the phone pressed to my ear. Brigitte got up and exited the

visitation room for the last time.

Francois, the prison's newest male guard, escorted me back to my cell. He could tell that I was upset. Not that I was crying or anything. To hell with that. Brigitte wasn't worth it. Getting a grip on my emotions, I vowed to get even with the traitorous bitch.

And there was no time like the present . . .

Francois didn't require much convincing. He was all for it, especially when I told him that my girlfriend had left me for another man. No sooner had the words left my mouth than an eager Francois led me to the showers. We had the place to ourselves. Standing there before me, he removed his bulky utility belt, placed it on the counter beside the sink, and unzipped his pants.

I crouched before him, my eyes getting wide as saucers as I appraised his enormous cock. The new screw was hung!

I hadn't sucked dick in several years; this proved to be no prob-

lem as it was a lot like riding a bicycle. Francois certainly seemed pleased with my performance. He groaned appreciatively as I polished his pole with a frenzied pumping motion.

Having primed him good and proper, I was ready to be fucked in earnest. I kicked off my rubber sandals and shucked my green and white striped pants. Then I sat atop the counter beside Francois's utility belt, his handcuffs and pepper spray within inches of my hand. I extended my legs, allowing him to peel my drab prison issue panties.

He moved between my thighs and skewered me with his big hard cock. I leaned back as far as the counter would allow, raising my knees as Francois proceeded to pound my pussy. The sound of slapping flesh reverberated off the tile walls. I had taken a shower that very morning, soaping my body in complete ignorance of what the day had in store for me. Dumped by Brigitte. Fucked by Francois.

Life could turn on a dime, you bet your sweet *derriere* . . .

And speaking of ass—well, Francois pulled out of my pussy and probed the tender entrance of my other hole. His glans pressed against my pink starfish, making me hotter and hotter, so much so that I had to lower a hand and rub my clit.

I continued to pleasure myself as he banged my backdoor, a delicious combination of sensations which led to a mind-boggling orgasm. Having done his job, Francois withdrew and came all over me, dumping a considerable load on my ravaged cunt.

He even let me take a shower before escorting me back to my cell. I begged him to join me, but he declined.

"You trying to get me fired?" he asked.

"Hell no. I just want to fuck you again."

And I did. The very next day. And many more for the remainder of my sentence. *Au revoir!*
